

School Board Report 2012

Welcome everyone to tonight's AGM.

This year started with Staff and students returning to a freshly painted school and a little less chaotic to the previous year. The Multi-Purpose Hall was fully functional along with the canteen and toilets.

Most of the works completed this year were maintenance or completion of the Multi-Purpose Hall. The major works of the Kindergarten and Pre-Primary toilets and storage shed has started and will be completed over the school holidays.

Staff

We welcomed to the 2012 staff Elicia Bove, Sian Lewis, Panda Gardner Shelly Epps and Kristen McAullay. We also welcome back Janyne. We say goodbye to Gina Burns who will be moving back to the city and closer to family we thank her for the past year and wish her all the best in her new position.

Parents and Friends

The P&F formed a committee and provided a great service to the school again in 2012. This year the P&F hosted a quiz night for the first time, this proved to be a success. The committee hosted other fund raisers throughout the year such as the Mother's day morning tea, Easter Raffle and the lap-a-thon, all of these events raising money to be spent on our most valuable assets, our children. A decision has not been made yet as to where the P&F will allocated the funds to for next year. To all who have been involved and worked with the P&F committee; thank you, your time is appreciated.

School Board

Thank you to the Board members who also have made a commitment and given their time to attend to the financial decisions of Saint John's and I wish our retiring members, Wayne Ryan Natalie O'Malley and Yvonne Mansfield all the best and once again thank them for their efforts over the years.

Thank you to all the staff at Saint John's for your efforts throughout the year, the staff is made up of Teaching, Teaching assistants, Cleaning, Administrative and Gardening staff. All of these people are valuable to our school community and the development of our children.

I will not be returning to the School Board and my children have completed their schooling time at Saint Johns, I know this is not goodbye but another step towards the future and continuing the Saint John's influence within the Nagel community. I wish everybody a safe and happy holiday time and look forward to hearing of the future progress of Saint Johns.

Thankyou
